Our executive director, Alexander Diaz, was just at the White House as the Producer and Head of Production of the live performance, "Eyes of the World: From D-Day to V day," thanks to an invitation from President Biden! This performance showcased the profound sacrifices and stories of those who lived through World War II. For anyone who hasn't seen it yet, "Eyes of the World" is available to stream on PBS and the American History Unbound website!

We just received a grant for our new outreach program, "Eyes Wide Open" and partnered with FBI Newark Citizens Academy Alumni Association to prevent digital exploitation! Ashley Tobias wrote and recorded music for the program which will begin in schools in January 2025.

Mario Giordano released his newest album with band, Echo Road! Keep listening to "GEMINI" and let us know your favorite tracks in the comments. Be on the lookout for a big show announcement coming this week!

We have started a new partnership with Bergen New Bridge Medical Center in Paramus, NJ. We are launching our **CARE (Creative Arts Release Expressions) program** where multitalented artist D-Cross will provide music, visual arts, poetry & spoken word therapy for the Behavioral Health and Substance Use Disorder Outpatient Program participants!
